W.L. Smith & Associates Children's Fund® to Support Haiti Partners Canada

W.L. Smith & Associates Limited, the largest Funeral Stationery manufacturer in Canada, announced today their W.L. Smith & Associates Children's Fund®, created to reflect the company's desire to give back to the community in a meaningful way, will be supporting Haiti Partners Canada.

Geoffrey Quinton, CEO of W.L. Smith & Associates Limited, explains why he chose to support Haiti Partners Canada. *"The W.L. Smith & Associates Children's Fund® was created with an emphasis on helping the most vulnerable of children in need. We have supported initiatives here in Canada since the Fund was created, however when Haiti Partners Canada was brought to us, it was something we felt deserved funding. Since the beginning, Canada has been a part of the Haiti Partners story, helping Haitians change Haiti through Education, with staff experience in Haiti that goes back more than 20 years and a focus on being good partners. Five values that guide the originations work in Haiti and North America are: Respect, Collaboration, Accountability, Faith and Learning. A portion of all of our sales are directed to the W.L. Smith & Associates Children's Fund® so that we may support children exactly like these. I am confident our valued customer base will agree and extend us their fullest support in this endeavor."*
